OUR SOLUTIONS

1. CONTRACT LOGISTICS

As a recognized 3PL logistics expert & thanks to the network we have spread all around, Hussaini Logistics offers and manages end-to-end supply chain solutions. Hussaini Logistics uses technology and innovation to deliver optimized and reliable solutions. Whatever the complexity and the geographical scope, we will design, execute and monitor your supply chain strategy to help you keep your promises to your customers & fulfill your needs.

2. PROJECT LOGISTICS

Hussaini Logistics is expert in your Project Logistics handling because of its presence all over Pakistan and Team of Professional who handles your Logistics with best of the available solutions.

Along with our extensive range of services & solutions, we provide supply chain solutions, from supply chain design & engineering & sourcing, 4PL & 3PL service offering integration & management of other 3PL providers, under flexible commercial & operating model

3. WAREHOUSING & DISTRIBUTION

Hussaini Logistics Distribution has been providing businesses with in Pakistan with professional fulfilment and distribution services for over 30 years now.

Hussaini Logistics has its warehouse located at most important strategic locations such as near the major Sea ports, Airports and Highways. These strategic locations helps our partners to gain more efficient supply chain for their companies.

Hussaini Logistics provides a bespoke range of distribution services with a supply chain network.

Hussaini Logistics distribution team can accommodate various business models and pricing policies, enabling providers to retain control of their products; develop collections; set multiple pricing options; use a variety of routes to market; and manage their customers successfully.

4. DEDICATED CONTRACT SERVICE

Our dedicated fleets let you focus your time, energy and resources on your core business, not on transportation.

Let Our Fleet Work for you

Our dedicated fleets let you focus your time, energy and resources on your core business, not on transportation.

Let Our Fleet Work for you

Already have a fleet provider?

As the largest dedicated provider in Pakistan, we offer flexibility, value & service you can't find anywhere else.

Need a dedicated fleet?

Have you outgrown your current transportation model?

Our dedicated fleets guarantee capacity and give you more control over your shipments

5. MATERIAL HANDLING

Hussaini Logistics Team is expert in provision and availability of required Material Handling Equipment. We Own Lifter, Jack Pallets and Cranes. We also have associates for required Inventory Availability if Own Fleet is Committed with some Customer

6. COLD CHAIN

A cold chain is a temperature-controlled supply chain comprising refrigerated production, storage and distribution facilities supported by equipment that can constantly maintain the required low-temperature range. It's complex and very delicate Operations, We do and maintain the best standards and Customer requirement

7. LAST MILE LOGISTICS

Last mile logistics allow shippers to get more products to consumers faster and cost-effectively, both critical concerns in the e-commerce and Omni channel supply chain. In fact, consumers are willing to pay premiums for better last mile delivery services, such as same-day or instant delivery

8. FLEET MANAGEMENT SERVICES

If you have Fleet that is become a challenge for you, or Fleet is running but increasing your Cost, Then Hussaini Logistics is your Option. Hussaini Logistics has been part of Logistics Industry for more than 30 Years.
